# **THE TEST OF TIME**

TIME Tells All Things.

A truthful adage this.

The test of time has proved Nyal Remedies—better remedies.

Each of these hundred and more Nyal Family Remedies is backed by over twenty years of unfailing success.

Year after year the Nyal Remedies have been improved until today they are universally recognized—America's best family remedies.

When you are sick you want the best—the most dependable remedies offered—you want Nyals.

There are no secrets about the Nyal Family Remedies—we are always pleased to tell you about them—we will cheerfully give you the formula if you ask for it.

We sincerely recommend the Nyal Family Remedies. Our experience with these superior preparations taught us that they are absolutely reliable.

We believe in Nyal Remedies—that's why we sell them. We know what they have done for others—know what they will do for you.

Ask for Nyal Family Remedies—thus be assured of satisfactory results.

Your treasurer is very sorry to report that owing to the tax difficulty with Blue Mountain Forest Association the amount left on hand from last year has been practically wiped out, the total expense for which is approximately \$900.00. However, owing to the efficiency of your officers the past year the town treasurer reports a balance on hand of \$174.04.

Respectfully submitted,

FREDSON C. REED, Treasurer.

## Auditor's Report

---

Grantham, N. H., Feb. 28, 1941

We hereby certify that on above date we examined the accounts of the Selectmen, Overseer of Poor, Town Treasurer, Road Agent, Agent for the State Road, and School Treasurer and find them correctly cast and properly vouched.

JOSHUA H. DUNBAR, Auditor.

## School Report

To the parents and pupils of the town of Grantham:

In presenting to you this report I shall say only a word about attendance, tardiness and such other facts as are usually contained in statistical tables.

The attendance of pupils as judged by percentages, in the Village School, has been good; in the North School, rather poor.

In obedience to the board of health, in order to obey the laws of the state, all pupils have been vaccinated or temporarily excused from the same by written permission of a regular physician on account of their physical condition.

The change in requirements in our institutions for advanced education during the past ten years has been great. In the *main*, the curricula of most schools in America are as good as we know how to make them. Our great problem is to make sure that the pupils *learn* as much as they study. The parents and community have a right to expect that in the end they shall know considerable about those subjects in which they have been taught and that they shall know how to study further. This kind of efficiency is the real problem of the schools of to-day and cannot be attained in a day. It is a matter of growth and depends upon the efficiency of the organization of the schools, and above all, the strength of the teaching force.

In short the arrangements and methods of school work to give the mind discipline together with due knowledge of a useful and life serving character may be safely accomplished.

In conclusion, may I say to the citizens of the town, that my work among you has been very pleasant and of great satisfaction to me and I tender my tribute of thanks as I bid you good bye.

Very respectfully submitted,

CARRIE M. BUSWELL,

Chairman of School Board.
